The Weal Trophy

The Weal Trophy is a very old Bathurst Cycling Club trophy donated by Harold Weal 1947.

Its history can be broken into the following:

- Original Trophy Era 1947
- Western Premiership Era 1998 – 2008, consistent point score system
- New Era 2009 onwards, point score variations

Currently the winner of the Weal Trophy is a point score based on the Jack MacKay Memorial and the Rockley Cup results.

The Honour Roll for the Weal Trophy is being compiled.
